COUNTRY: CHINA

INVESTMENT AMOUNT: USD 200 MILLION

COMPANY PROFILE: JA Solar Holdings Co., Ltd is the world’s leading manufacturer of high-performance solar power products for residential, commercial and utility-scale power generation. The company was founded in 2005 and is based in Shanghai. In a short span, it has been able to establish itself as a pioneer in high power solar power products.

INVESTMENT PLANS IN INDIA: JA Solar has announced plans to enter the Indian market. The company has signed an agreement with India’s Essel Group to set up a manufacturing facility for solar cells and modules. The facility will have an annual production capacity of 500 MW solar cells and modules every year. The joint venture will invest an estimated USD 200 million in the manufacturing plant.
